

To Enforce Bingo Ban

County prosecutors returned to their home counties last Saturday from the annual prosecutors' convention held at Mackinac Island, resolved to enforce the state's gambling laws which ban bingo and raffles no matter how charitable the cause.

The first case awaited Prosecutor Charles E. Moore on his arrival home as a carnival under sponsorship of the American Legion Post 108 was moving into Grayling Monday. Prosecutor Moore told the carnival manager that they were welcome but he would be forced to prosecute any operation of a game of chance. The carnival manager said the show could not be operated without a profit and a profit could not be shown without the games. The carnival left Grayling without opening its doors. It was understood that several carnivals were packing-up in Michigan to cross the state line into Indiana, Ohio and Illinois.

In a stormy, hour-long session Friday, the prosecutors passed, 26 to 6, a resolution promising strict enforcement of the law until it is changed by referendum.

The Legislature itself cannot lift bans on bingo as the State Constitution forbids any form of lottery and the Supreme Court has ruled bingo and raffles as such.

"If the people desire a change in the laws on gambling, it must be done by the people themselves through their duly elected legislators, or by their own referendum, the resolution said.

Until that time, the prosecutors asked for uniform enforcement of laws pertaining to all forms of state, county and city law enforcement officers in enforcing the laws. The prosecutors' resolution has no legal force. It merely expresses the intentions of the majority.

At the same time, the prosecutors asked the Legislature to take another look at all gambling laws. They questioned the "moral position of the state in connection with its official participation in horse racing and betting."

Prosecutor James R. Rood of Midland County, who supported a move to have Gov. G. Mennen Williams lead the way in establishing a general policy for law enforcement officials, found insufficient backing from other prosecutors.

As the convention closed, it appeared most likely that enforcement of the bingo bans would be gradual. Operators would first be asked to stop and, if necessary later, ordered to quit.

Crawford County Library
One of the work-shops for librarians was held at the Conservation Camp at Higgins Lake last Saturday July 20-21.

There were 86 enrolled librarians and consultants. These work-shops are sponsored by the State Board for Libraries and instructions in library work as well as discussions on library problems in general, and on special problems in our individual libraries, are of great value.

The Grayling library is a Class Library serving a population of 151. We do not meet the requirements for a County Library of this size as yet, but we are a new library and we feel we are making progress.

We are glad to tell you that the Crawford County Public Library has been certified by the State Board for Libraries as eligible to receive special monies for 1953-54.

We have been certified because of the effort the Library Board has made to reach the requirements for a Class 2 Library.

For the information of the public we wish to state the requirements for the minimum standards which our library should meet.

At least a head librarian having at least two years college and two work-shops to qualify for a Grade certificate. An assistant, a high school graduate with work-shops to qualify for a grade 1 certificate.

Open to the public a minimum of 24 hours per week. In addition a means of book distribution to extend service throughout the entire county should be recognized goal.

The State Board of Libraries has its efforts to meet full standards. At present we are open 16 hours a week and the librarian has a grade 1 certificate good until July 1, 1955. We receive less than \$1000 a year but in order to get state aid we must get \$1000 a year.

Local money must be supplemented by at least \$1000 a year. Money to be qualified to receive the special monies, then, would also receive some state aid.

A change in the State Aid to Public Libraries law provides that the main balance from the annual appropriation shall be used by the State Board for Libraries as a Public Library Development Fund to stimulate the growth and development of Public Library Services in Michigan.

Libraries qualified for State Aid will benefit from this new aid. There is \$50,000 available for the year from Oct. 1, 1953 to June 30, 1954. The fund may be assigned to one project or divided among several projects. Their general objectives are: (1) To reach the people with public library service. (2) To stimulate county regional libraries. (3) To correct deficiencies in public library service. (4) To encourage local responsibility for libraries. The State Aid to Public Libraries law includes projects for: (1) School Library Service. (2) Erecting buildings. (3) Retirement of debt. We have a lot of "Friends of Libraries."

Eight Cars Involved in One Pile-Up

Five Weekend Crashes On 4-Mile Stretch Of US-27

Crawford County authorities were kept busy Saturday when the heavy weekend traffic caused a four-car and an eight-car pile-up and several other auto accidents.

Five accidents in which only three persons were injured, were reported here within a four-mile stretch south of Grayling on U.S. 27.

The first one which occurred at 11:10 o'clock Saturday morning, involved four cars, and occurred just outside the south city limits of Grayling during a heavy rainstorm.

Drivers of the four cars were William L. Sweet, 38, of Dayton, O.; George Barlow, 48, of East Ann Arbor; Dennis Vredevoogd, 19, of Grand Rapids; and Harris Young, 39, of Detroit.

Two other cars were involved when they stopped suddenly causing the four cars behind them to brake and pile them up, one behind the other. Two of the four cars, which were all traveling north, had to be hauled away by wreckers, but no one was injured.

Passengers in the Sweet car were his wife and two children; in the Barlow car, his wife and two children; in the Vredevoogd car were Wilfred Vredevoogd, of Marion, and Betty Norden, of Grand Rapids; and in the Young car was Young and his son, David.

Sheriff John Papendick and Deputy Sheriff Harold Hatfield, Jr., investigated.

Three other accidents, which occurred at approximately the same time, about 1 o'clock Saturday afternoon, happened within about a mile of each other.

One which occurred a mile south of Grayling involved eight cars. The drivers of the cars were Walter Wohford, 46, of Koonoke, Ind.; Leland Henry, 23, of Dayton, O.; Neal Whisman, 18, of Arcadia, Ind.; John E. Eyre, 27, of Mionisburg, O.; Rose A. Toerner, 45, of Fort Mitchell, Ky.; Joseph Hilbert, 36, of Piqua, O.; Claude Fremont, 67, Fort Wayne, Ind.; and Raymond Moore, 20, of Mason, Ohio.

An Army truck, having engine trouble, had stopped on a hill. The approaching cars all braked but because of the rain and wet pavement began sliding in all directions. Some of the cars were badly damaged and four had to be hauled away by wreckers. The only person injured was Grace Wohford, 42, of Koonoke, Ind., who suffered cuts about the knees and a head injury.

Other passengers in the cars involved were Louise Bink, of Covington, Ky.; and Ethel Prager, of Covington, Ky.; passengers in the Toerner car, and Phyllis Kuntant, of Munith, Mich.; a passenger in the Moore car.

While Sheriff Papendick and Deputy Sheriff Arthur Clough were investigating this accident, Deputy Sheriff Hatfield was about one-half mile further south on U.S. 27 investigating a collision of two cars driven by Leandell Ann Jacobs, 24, of River Rouge, and Charles Corwin, 17, of Grayling. The Corwin car struck the other car in the rear. No one was injured and both cars were driven away.

At the same time, State Police of the Houghton Lake post were investigating another accident.

At 3:15 Saturday afternoon a car driven by Ella Goetz, 34, of Doylestown, O., left the pavement and rolled over on U.S. 27 about three and one-half miles south of Grayling. She and her passenger, Anne Gret Kindling, 27, also of Doylestown, O., were brought to Mercy Hospital, Grayling. Ella Goetz suffered a brain concussion and possible skull fracture and Anne Gret Kindling suffered cuts about the knees.

Sheriff Papendick investigated assisted by Deputies Hatfield and Rolla Failing.

8th Annual National Archery Association Meet

The 8th annual NFAA tournament was held at Point Beach State Forest, Two Rivers, Wisconsin, July 12 to 16. About 600 archers competed in the contest from almost every state in the union. Michigan had the largest attendance of any state.

Two Rivers was an enthusiastic host to this group of sportsmen with everyone in the community cooperating to show them a good time, including top entertainers and members of the Police Force and Conservation Department.

Nine and a half miles of courses were laid out to handle the great numbers of contestants.

Michigan not only had the largest attendance but also took most of the top prizes at the meet.

Jack White, Anna, Michigan, was leading man in the overall scores, with Irwin Ketzler of Flint, last year's winner, a close second.

Glen Day of Grayling took first place in the Hunters Round and was fifth in the total scoring.

Among other Michigan archers who placed Charles Skanes of Detroit, first in the Instinctive Class, won the coveted Diana Bow, a handsome silver trophy donated and designed by the late W. B. Wescott, who has visited Grayling many times.

Luzon, Marine City, Michigan, and defending champion was second in this class. Harold Doan, Adrian, Michigan lost his title in the Mens Free Style Division by a close margin to Reuben Powell of San Diego, California and Betty Luff, Lansing, Michigan, last year's champion in the Womens Free Style division lost her title to Boris Schefflein of Wisconsin.

The local Archery Club is proud of the fact that several of the top shooters were members of their own North Michigan Archery Association.

Attending the tournament from Grayling were Mr. and Mrs. Glen Day, Frank Scott, Mr. and Mrs. Robert Meaker, Mr. and Mrs. Matt Edson and Mr. and Mrs. Fred Bear.

Ball Game Rained Out
The Chain of Lakes League game slated in Grayling Sunday at the City Park between Grayling and Consumers Power of Traverse City was rained out in the third inning with the score tied at 1 and 1.

Bob Gildner was on the mound for Grayling with Anthony probably the play. The game will probably be made up on Labor Day, Manager Earl Burns said.

Next Sunday, Grayling travels to Torch Lake in another league contest. Play is under the lights there and the game is slated to get underway at 8:30 p. m., Sunday, August 2.

T-B X-Ray Unit Here August 28
It has been announced by Dr. C. E. Merritt, director of the District Health Department that the mobile X-ray unit of the Michigan Department of Health will be in Grayling on Friday, August 28 from noon until 8 p. m. to take free chest X-Rays of anyone who may apply.

Last year, Grayling turned out a large number and it is hoped that this year even a larger percentage of the population will take advantage of this health precautionary measure. It is quick, no dressing, you receive a report or if there appears to be trouble notice is sent the doctor of your choice.

A chest X-Ray is the modern way to track down tuberculosis in its early stages when it is most easily and quickly cured. Make a note on the calendar now to get your chest X-Ray on August 28. The mobile unit will be parked on Cedar Street in front of the Grayling Bottling Company just south of the traffic light.

Our Gang
Our Gang held their Annual picnic Thursday afternoon at Hartwick Pines. Sixteen members and five children partook of the bounteous pot luck lunch.

Before the lunch, games were enjoyed with the prize winners as follows: Mrs. Middle LaMotte, Mrs. Frank Serven, Linda Leslie, Mrs. Paul Feldhauser and Mrs. Richard Lovely.

Mrs. Feldhauser won the Penny Prize also.

The committee who planned the lunch was Mrs. Oscar Goss and Mrs. Lovely. The July birthday cake was furnished by Mrs. Barton Wakeley for the birthdays of Mrs. Karl Broadbent, Mrs. Lilian Deck, Mrs. Theodore Visnaw and Mrs. LaMotte. All those received gifts from the club.

The next hostess will be named later, the date too. Members will be notified. The refreshment committee will be Mrs. Percy Budd and Mrs. Burt Conter. The August birthday cake will be furnished by Mrs. Broadbent.

Watch the What-Where-When for date and place.

Mr. and Mrs. Stanley Darriman and daughters, Jane Ann and Elizabeth are the guests this week of the W. O. Hildebrands at their Lake Margrethe summer home.

Plan 4 Stage Drive For New Mercy Hospital

The \$300,000 Mercy Hospital Building Fund Campaign, for a new modern building for the Mercy Hospital in Grayling, will be conducted in four stages, it was announced today by the campaign executive committee.

The first stage of campaign activity is the memorial gifts program. This aspect of the campaign program was launched at the organizational meeting of the memorial gifts committee at the home of Mr. and Mrs. Franklin P. Hills on July 25. Co-chairmen of the committee are Franklin P. Hills and George Griffith. The objective is \$125,000. Memorial gifts may be pledged over a three year period and entitles the donor to a bronze plaque on the door of the room bearing the name of the donor or the name of the one in whose memory the room is given. Memorial rooms range from \$1,800 to \$50,000. The first report meeting of the memorial gifts committee will be held at the home of Mr. and Mrs. Franklin P. Hills on the Ausable River on Saturday, Aug. 1, at 3:30 p. m.

The second stage of the campaign will be the solicitation of the summer residents who are not memorial prospects and the setting up of a program of solicitation at Camp Grayling. Summer residents to be covered in the program are those who have cottages within the 30 mile circumference of Grayling, which is the service area of Mercy Hospital, it being the only hospital in that area. This part of the program will be started during the first week in August.

The third stage of the campaign will be the solicitation of the businessmen and other special gifts prospects in Grayling, Roscommon, Lewiston and all other communities in the Mercy Hospital service area. This phase of the program will be launched the second week in September.

The fourth and final stage of the campaign will be the public drive which will be launched during the last week in October. The campaign will end about the middle of October.

The campaign executive committee stated that a volunteer workers are urgently needed. Those wishing to volunteer should phone Grayling 3001 or call the Mercy Hospital. To have a successful campaign the help of many summer residents, as well as permanent residents, will be needed as volunteer workers.

The campaign executive committee added that it is essential to raise the needed \$300,000 this summer and fall in order to be certain to get the one-third matching funds from the government, which is about \$250,000, based on a total building and equipping cost of \$750,000. The Sisters of Mercy will give up to \$200,000 additional.

The present Mercy Hospital building is a 40 year old wooden structure, built originally to serve 17 patients. Many times over 40 patients are cared for at the hospital, many of whom must be placed in beds in the halls.

The proposed new hospital building will be fireproof and modern in every respect. It will have 42 beds, two operating rooms, complete maternity section and a modern emergency department.

No Shooting Or Fires At City Dump. Ordered
City Manager Russell Carlson announced today that an order had been issued stopping all firing of rifles or guns at the City dump and also to halt the setting of fires.

Due to the ricocheting of bullets fired from guns at the dump, it was decided to halt all such firing as it was considered hazardous. It was also decided to halt the firing of refuse due to the summer fire hazard.

Engagement Announced
Mr. and Mrs. Charles Madill of Frederic announce the engagement of their daughter, Mary Ellen to Pvt. Orville Hillaker, son of Mr. and Mrs. Ivo Hillaker of Davison. Pvt. Hillaker is now serving in Korea.

The date of the wedding is indefinite.

Pratt - Burch Speak Vows

Miss Ethel May Pratt became the bride of James Edward Burch Jr. of Evansville, Ind., at a nuptial high mass at St. Mary's Church, Saturday morning at 9 o'clock. The Rev. Fr. John A. Breitenstein performed the ceremony. Bouquets of white daisies and blue delphinium decorated the church altar.

Ethel is the daughter of Mr. and Mrs. Edwin C. Pratt and the bridegroom's parents are Mr. and Mrs. James E. Burch of Dale, Ind. Mr. Pratt gave his daughter in marriage. She wore a white tulle and lace, floor length gown, that was made with an overskirt of double folds of tulle. The bodice was of lace with shoulder straps and over it she wore an Eton jacket of matching lace. Her French lace fingertip veil was held in place by a tiara of rhinestones and she carried a white prayer book with an orchid tied to it with white ribbon streamers.

This was a gift of the bridegroom. Gloria Pratt was maid of honor for her sister and her floor length gown was of blue net over rayon tulle, that was shirred into flounces. With it she wore a net stole of the same color as her dress and carried a bouquet of white and red mums. Miss Jean Millikin as bridesmaid wore yellow tulle, that was made with a wide sash which tied in the back in a huge bow. Her flowers were white and yellow mums. Both wore small crownless hats of white lace.

Clem Sadjak of Frederic and Larry Balch Jr. were the bridegroom's attendants and Ralph Millikin and Leland Marshall acted as the groomsmen.

For her daughter's wedding Mrs. Pratt chose a nylon navy and white polka dress with a white linen jacket, and Mrs. Burch's gown was navy silk and she wore a short wool jacket. Both mothers had bouquets of red and white carnations pinned to their costumes. Also present for the wedding were the bride's grandmothers, Mrs. Paul LaBrash and Mrs. Caroline Pratt of Frederic.

Following the ceremony breakfast was served at the home of the bride's parents to some 50 relatives and close friends. The table for the bridal party was covered with a lace cloth and centered with a three-tiered wedding cake that was made by the bride's sister Mrs. Ray Cherry. Lamb cakes centered the other tables together with bowls of garden flowers.

When the couple left for a short honeymoon trip to the Upper Peninsula the bride changed to a toast brown suit and white hat with brown veil trim and white accessories and a pink and white carnation corsage.

The bride is a graduate of Grayling High School of the class of '52, and the groom is a graduate of the Selven High School and attended Evansville College for three years. He served in the World War II and the Korean War.

The couple will make their home in Evansville, Ind. where the groom is employed as a chemist for the Ser-val Company.

Out of town guests were Mr. and Mrs. James E. Burch and Bonita and Carol Burch of Dale, Ind., Mr. and Mrs. Ray Cherry, Mrs. Henry Kopanek, Mr. and Mrs. Ray Pratt, Saginaw; Mrs. Rilla Winslow of Rochester, Mich. and Mrs. Roy Davis of Flint City; Loretta and Bernadine LaBrash, Detroit; Carol and Judy Seaback, Battle Creek, and the Pratt families of Frederic.

Dr. and Mrs. L. F. Hayes left Thursday and spent the remainder of the week at Blaney Park.

Mrs. Ethel Christian and son, Charles of Marquette, Mich. are spending the week visiting LeRoy Christian. They are mother and brother respectively of Mr. Christian.

Mrs. Stanley Stephan and children of Cadillac spent the week end at their cabin down river and were present Saturday afternoon at the home of her mother, Mrs. Signe Randolph when several of her neighbors dropped in wish her a happy birthday.

Show Grayling Movies Monday

Movies taken in and near Grayling for showing over television on Mort Neff's program, Michigan Outdoors, will be screened next Monday evening for the public without charge. The movies will be shown on the Court House lawn or in case of rain in the Grayling High School. There will be no charge. They are to be shown at about 9 p. m.

Prior to the screening of the pictures, Mr. Neff will be the guest of the Grayling Kiwanis Club at their meeting which will be held at the Grayling Golf Club next Monday evening.

The movies were taken mostly on a canoe trip down the Ausable River but many other shots were taken in Grayling and the vicinity. They will be very interesting to local people and the public is urged to attend the showing.

JAMES REYNOLDS PASSES IN SAGINAW
James Reynolds passed away at Saginaw Veterans Hospital Tuesday morning following a long illness.

Rites were to be read today at 10 a. m. at St. Mary's Church. Further particulars were not available at this time.

PLAN THIRD TRAP SHOOT ON SUNDAY
The third of a series of trap shoots will be held at the Grayling Golf Club on Sunday, August 2 at 3 p. m., it has been announced by Bill Hines, president of the group who have fired during the first two shoots.

Over thirty shooters attended the last trap shoot with visitors from Roscommon and Houghton Lake. Some very nice scores were made and enthusiasm for the sport seems to be growing. Shooters may bring their own shells or buy them at the grounds.

There will be handicap prizes for Sunday's shoot. With a handicapping all shooters will have an equal chance at the prizes. The place, 7th hole at the Grayling Golf Club, time next Sunday, 3 p. m. President Hines says, "Come on out and sharpen up your eye for duck and pat hunting this fall."

Michelson Memorial Church School
Mrs. Carl Johnson was back with her Kindergarten group after her vacation and Claudette Long returned to her class after spending five weeks in Detroit.

Birthday anniversaries were celebrated by Irene Annis, Janet Madsen, Marydella Stillwagon and Mrs. Harry McEvers.

Visitors included Mrs. Francis Annis, Miss Barbara Clingensmith and Miss Virginia Rowland. Several members of the Indiana National Guard attended the Senior group, and Chaplain John M. Sayre visited the Nursery and Kindergarten Departments. Mr. Tom Robertson concluded his series for the Intermediate-Senior group, and will be succeeded during the month of August by Mrs. Carlyle Brown.

Among the patients at Mercy Hospital are Carl Larson, Donna Dishaw, Velma Deckrow, Minnie Hartley, George Potruha and Harry Saunders.

A letter received by Dr. Leonard Allison concerning the German Brown Trout caught in the Manistee River recently by Arnold Hubbell states that in the opinion of several experts the fish was 10 or 11 years old.

AOJ Terry Hilton arrived home from Jacksonville, Fla., Thursday to spend a 15 day leave with his parents, Mr. and Mrs. George Hilton. Terry had just returned from a six months cruise in the Mediterranean. Tom Hilton now of Vassar spent the week end with his parents.

Roger Giegling and guest, Bob Craig of Detroit are spending the week with his parents, Mr. and Mrs. Emil Giegling.

Architect's sketch of the proposed new Mercy Hospital at Grayling, Michigan. The proposed fireproof building will provide 42 beds and all the essential facilities of a modern hospital. The present structure is a wooden building over forty years old and is the only hospital in a fifty mile circumference. The Hospital is operated by the Sisters of Mercy.

Mark 50th Anniversary

Mr. and Mrs. David Montour observed their Golden Wedding anniversary on July 19th at the

home of their daughter and husband, Mr. and Mrs. Fred Hanselman in Milan, Mich., with their daughters and their husbands and all of their grandchildren around them. Also a number of friends from the vicinity of Detroit were present for the festivities.

A bountiful dinner was served to some 50 relatives and guests, with a lovely anniversary cake topped with a miniature bride and groom as the centerpiece for the dinner table. The cake was made by Mrs. Charles Fordon of Inkster.

The bride was formerly Anna Collier, daughter of the late Hubert and Virginia Collier and she was born in Bay City. However she came to Grayling with her parents when she was a small child.

The groom or "Dave" as he is more familiarly known to his friends was born in Grayling and his parents were the late Mr. and Mrs. Joseph Montour. Both attended Grayling schools. As there was no Catholic Church in Grayling during those days, they went by rail to West Branch and were united in marriage at St. Joseph's Church on July 14, 1903, by the Rev. Fr. Godfrey Guthausen.

Anna Gendron, now Mrs. Louis Meyette of Pinconning and Frank McClain were the attendants. They are the parents of 10 children, all of whom were born in Grayling, and all are graduates of Grayling High School except the three sons, all of whom passed away at early ages. Those who are still living are Mrs. Hanselman (Genevieve), Mrs. Charles Mott (Marguerite), Mrs. Urban Doty (Patricia), Wayne, Mich., Mrs. James Biedler (Mary), Inkster, and Mrs. Aarold Gallaher (Joanne) of Flint and there are 19 grandchildren.

Mr. and Mrs. Montour have lived in the same house where they started housekeeping 50 years ago, which was the home of the former's parents. However at present they are making their home in Inkster, residing in the home of their late daughter, Mrs. Fedora Landsberg. But they are retaining their home in Grayling and hope to be coming back now and then, and of course their family love to come back to the old home in Grayling, and do just that whenever they have an opportunity.

The Montours have hosts of friends in this community who extend congratulations and best wishes on the occasion of their 50 years of wedded life.

Why FORD's your best buy!

"WORTH MORE" IS THE ANSWER... IT COSTS SO LITTLE TO BUY... SO LITTLE TO RUN... AND HAS SUCH HIGH RESALE VALUE!

The *best buy* in an automobile usually means the amount of pleasure and satisfaction the owner gets from his original investment, plus low day-to-day running costs, plus the amount of value he recovers when he sells his car.

What is it that makes Ford your *best buy*? Is it the fine styling and craftsmanship of its Crestmark Body... or its new "ride" with curve-hugging and bump-leveling qualities never before known in low-priced cars? Or is it Ford's famous V-8 or

Mileage Maker Six? Maybe it's the easy way the car handles with Fordomatic Drive, or Ford's Master-Guide power steering! Perhaps it's Ford's suspended pedals, or Center-Fill Fueling or Full-Circle Visibility!

Actually, it's not just any one or two of these fine things that make Ford your *best buy*. It's all of Ford's "Worth More" features combined... features which make Ford worth more when you buy it... and worth more when you sell it!

"Best buy" where you ride! Ford's foam-rubber cushioned seats, front and rear, are soft-wide and soft-soft. Interior fabrics, color-keyed to Ford's smart outside colors, would be a credit to any car at any price.

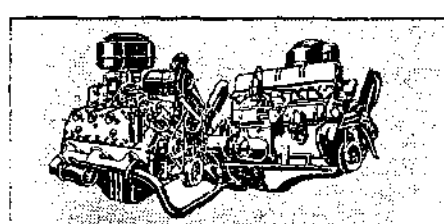

"Best buy" where you drive! Ford's suspended pedals operate more easily... eliminate dusty, drafty floor holes. And Ford drivers have a choice of Fordomatic Drive, Overdrive or Conventional transmission.

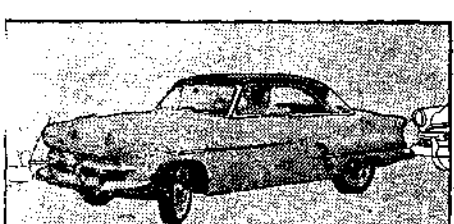

"Best buy" at the gas pump! When you need to "fill 'er up", you do it the modern Ford way with Center-Fill Fueling. And Ford's Automatic Power Pilot gives you power to spare on a lean diet of regular gas.

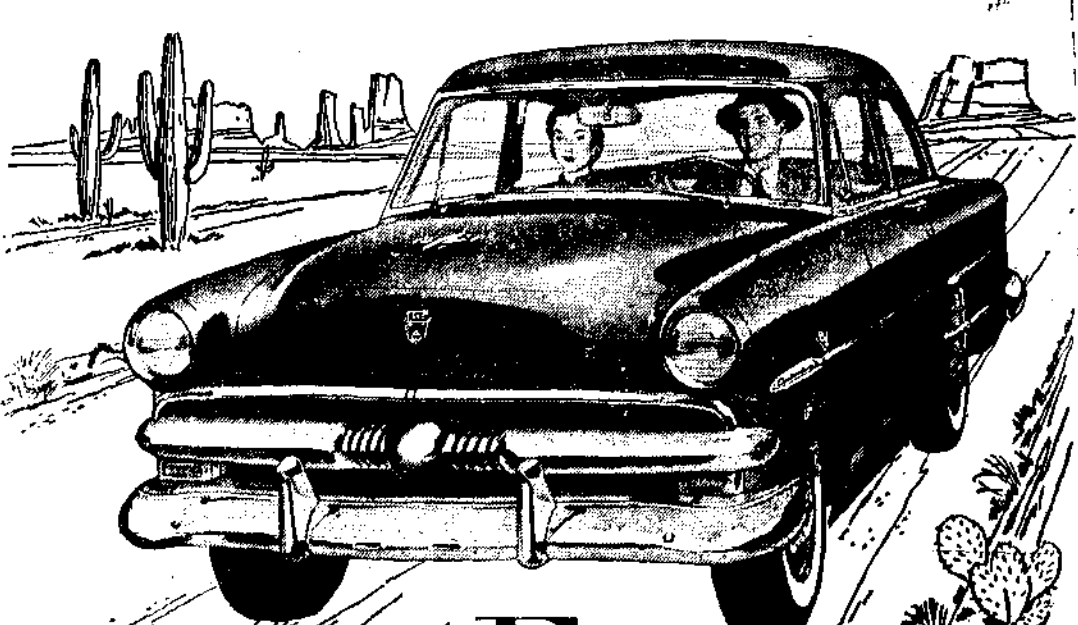

"Best buy" on the road! The rougher the road the better your Ford likes it because Ford's new "ride" cuts front end road shock alone up to 80%... bounces you over the bumps... and cuts sideways on turns.

"Best buy" in engine power! Only Ford in its field offers you a choice of V-8 or Six. Ford has built more V-8's—over 13,000,000—than all other makers combined. And Ford's Six—the most modern in the industry—with Overdrive, won the Mobilgas Economy Run Grand Sweepstakes!

"Best buy" in power steering! Ford's Master-Guide (available on all V-8 models) supplies hydraulic "muscles"—automatically whenever you need them—to do the work of steering for you. All you do is guide the car. Makes all driving easier, and safer. And parking's so easy!

WORTH MORE WHEN YOU BUY IT... WORTH MORE WHEN YOU SELL IT

Genuine Liberalism . . .

By a vote of 14 - 7, the House Public Works Committee has favorably reported the Capehart-Miller Bill, widely known as the "free enterprise bill," which would authorize five utility companies to undertake a \$400,000,000 hydroelectric project at Niagara Falls. At the same time, the committee shelved a second bill which would have provided for federal development of the project, at the expense of all the taxpayers, and a third bill favoring development by New York State.

The followers of the socialist line at once raised their hands in horror, saying that the committee's action, if approved by Congress, means "giving away" priceless resources which belong to all the people.

Electrical World has answered that socialist argument in a powerful editorial. It says, in part: "There are more adequate safeguards to the public interest when an electric company builds a project like Niagara than when a government entity builds it, safeguards that are written into statutes, orders, and regulations . . .

"Regulation makes certain that a resource like falling water, belonging to the people, can be fully developed by electric companies and the power wisely used without anyone making one cent of profit on the people's resource — for the rate base of the utility company has nothing in it for the value of falling water. The rates under regulation include only the cost of obtaining dollars used to build the electrical equipment and plants that convert falling water to useful kilowatt hours, and the other essential costs of doing business.

"Basically, it is only through company development that hydroelectric resources can be fully utilized for the people's benefit. Under electric company develop-

ment all of the people in the region would receive the benefits. Tax revenues would be produced, revenues that would be available for use by local, state and federal governments for the benefit of all the people, a claim no one else can make."

The socialist argument is an empty appeal to emotion. There isn't a whit of logic or justice in it. The action of the House Committee is an illustration of liberalism in the traditional sense.

Plan 5th Sturgeon River Canoe Race

Plans for the Fifth Annual Wolverine Trout Festival and Sturgeon River Canoe Race to be held on August 16 were under discussion at a recent meeting of the Wolverine Sportsmen's Assn., which sponsors the event.

James Skinner, chairman of the Canoe Race, announced that 7 canoe teams have already entered. They are Jerry Curley and Steward McNeil, Oscoda; Tom Gilderleeve and Jim Larsen, Oscoda; Bernie Fowler and Don Feldhauser, Vanderbilt and Grayling; John A. Stephan and Frank L. Ludeman, Grayling; Bob Snook and Delbert Case, Grayling; Ralph Sawyer and Eugene Roy, Oscoda; and Tom Halero and Jim Halero, Oscoda. The exciting 35-mile canoe race will start at 10:30 A. M. at the Cornwall Ranch south of Wolverine and ends at the old US-27 bridge at Indian River. The team placing first will win \$100 plus 30% of the entry fees, as well as a trophy and gold medals. Second place team will win \$50 plus 20% of the entry fees, and silver medals. Third place awards will be \$25 plus 10% of Lazarowicz, John Schofield and Leo Jorgenson.

John Schofield stated that their representative Adrian Mitten had not arrived and that he would therefore state the purpose of the meeting.

The purpose of the meeting was to discuss a change in wage rates for a higher rate.

Attorney Moore answered his statement. Wages were discussed and it was stated that of the eight surrounding counties Crawford county wage scales was within the top three scales paid by these counties. Roscommon paid from \$5 to 10c more on some jobs.

Adrian Mitten, representative of the employees group arrived and was introduced to the group. Attorney Moore gave a resume of what had been discussed before his arrival.

The Commissioners had established the policy of discussing wage increases or decreases once a year in January and were going to adhere to this policy.

Mitten figured that the following benefits added to the present wage scale about 15c per hour. These fringe benefits are 6 days vacation and 6 sick leave, 3 paid holidays, Road Commission participation in Life Insurance, Blue Cross, Hospitalization, Surgical and Medical, and Social Security.

After a discussion the following points were brought up and Attorney Moore recommended that the Commissioners consider them.

1. That a 12 day vacation and sick leave be restored instead of 6 days vacation and 6 days sick leave.

2. Vacation to be taken in periods not less than a week.

3. If a man was sick in the morning someone should notify his foreman or the Supt. at least 1/2 hour before starting time.

No further business for discussion. Motion made by Richmond to adjourn until July 3, 1953. Motion carried.

E. A. Corsaut, Chairman.
 U. Harley Russell, Clerk.

the entry fees, and bronze medals. The race last year was won by Jay Stephan and Ten Engle, who completed the course in 3 hours, 1 minute and 29 seconds.

Organize Tri-Townships Agril. Extension Assn.

Ninety-six farmers of Boardman, Orange and Oliver Townships of Kalkaska County took a forward step last week when they voted to co-operate with Michigan State College in a new agricultural extension program. According to the plan, Orville Walker, present Kalkaska County Crawford County Agent, will become "Township Agent" for the three townships. The program is slated to get underway on August 1 and is sponsored by the newly-organized Tri-Township Agricultural Extension Association of Kalkaska County. Bob Dewey, formerly Soil Conservationist with the Emmet County Soil Conservation District, will take Walker's place as County Agent. He will direct the extension activities of Kalkaska and Crawford Counties, exclusive of the Boardman-Orange-Aller area.

As Township Agent, Walker will be freed of many of the responsibilities in connection with the over all county extension program. This arrangement will make it possible for him to devote a major portion of his time to production and marketing problems of individual farmers of the three townships. Walker will maintain his office in the Court House but expects to spend much of his time on the farms of those families participating in the program. As with all extension activities, participation is on a purely voluntary basis.

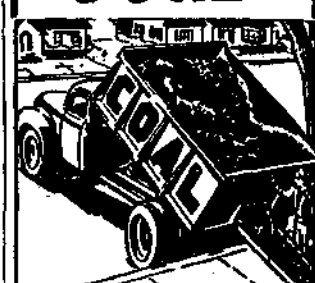

The tri-township program is aimed at increasing production efficiency and income of the 80 to 100 farms which will be participating. The cost of the program is to be met by funds granted to Michigan State College by the W. K. Kellogg Foundation of Battle Creek and by organization fees subscribed by members of the Association. It is planned that co-operating farmers will meet 10 to 15 per cent of the annual cost of the program during each of the first three years of the five year program.

In discussing the background of the project at the Thursday meeting, Director D. B. Varner of the Michigan Co-operative Extension Service stated that the program is being offered in only five township-areas of the state. First to get into operation on July 1 was the Newton Township area of Calhoun County. According to Varner, Michigan county agents each are called upon to serve several hundred to 4,000 families. Such a work load obviously poses a difficult problem with regard to serving the needs of individual farmers.

The intensive program of the Tri-Township type gives the way for more individual service, more rapid adoption of profit-making practices and a permanent profitable agriculture. "The Township Extension Program will be watched by agriculturists all over the country," Varner said, "and may well spotlight the course to be followed in years to come."

R. W. Bell, leader of Special Projects at Michigan State College, pointed out that the Tri-Township program presented a challenge in all-out co-operation for total community benefit. He expressed confidence in the success of the venture under the guidance of Agent Orville Walker and stated that the time will justify the cost. The Tri-Township program will be a special part of the county extension program and Agents Walker and Dewey will coordinate their respective programs for maximum benefits. "We hope also to obtain information from this intensive program that will help the Extension Service to gear its work to the real needs of individual farmers," said Bell. He stated that it was intended that all five Township Agents in the state will strive for maximum co-operation with all agencies and individuals that are interested in serving far families.

From where I sit... by Joe Marsh

It's Fine To Be Fooled
—Sometimes

Handy Peters entertained for
the ladies of the Auxiliary the
other night—and had the ladies
believing for a while that he's the
best marksman ever.

Handy put on a great act. He
set up a whole bunch of balloons
on a muslin backdrop and then
took out his pea-shooter. He shot
blindfolded, standing on his head,
every which way—and broke a
balloon every time!

No wonder Handy impressed
the ladies. What they didn't know
—till the show's end—was that
Buck Mulligan was hiding be-

hind the backdrop improving on
Handy's aim with a hatpin.

From where I sit, we all get
things "put over" on us now and
again. When it's good-natured—
fine! But, some folks would like
to fool the rest of us into believ-
ing it's wrong to enjoy an occa-
sional glass of beer—just because
they prefer something else. For
real American tolerance and
neighborliness these people are
simply "off target."

Annual Report of Grayling

Township School District 1

The annual school meeting of
Grayling Township School District
No. 1 was held in the assembly
room of Grayling High School on
Monday, July 13, 1953, and was
called to order at 2:00 o'clock P.
M. by Emil Giegling, President
of the Grayling Board of Educa-
tion.

The secretary was asked to
read the official call of the meet-
ing. This was done by Roy O.
Milnes, secretary of the Board of
Education.

The secretary was then asked
to read the minutes of the last an-
nual school meeting held on Mon-
day, July 14, 1952. The minutes
were read. Motion was made by
Arthur Clough and supported by
Wesley Kumpula that the minutes
be approved as read. Motion car-
ried.

The secretary was then asked
to read the financial report of the
school year 1952-1953. The com-
plete report was read and showed
the following:

General Fund balance
July 1, 1952 \$36,918.19

Building and Site Fund.
July 1, 1952 10,400.00

Receipts for the year 47,318.19

Expenditures for 1952-1953 \$155,014.95

General Fund \$202,333.14

General Fund \$40,924.88

Teachers and Supt. 77,900.00

Substitute teachers 720.00

Purchase of U. S. Bonds 20,000.00

Leaving a balance on hand \$139,544.88

July 1, 1953 \$62,768.26

This balance includes \$10,400.00
belonging in the building and site
fund.

We also have in the building
and site fund the sum of \$40,000.00
U. S. Bonds.

It was moved by Thomas Welsh
and supported by J. L. Martin that
the report be approved as read.
Motion carried.

The secretary next presented the
budget that was presented to the
Crawford County Tax Allocation
Board and he stated that the
school was allocated 6 mills for
the next school year. It was
moved by Floyd Davis and sup-
ported by J. L. Martin that the
report be approved as read. Motion
carried.

The election of trustees follow-
ed. Nominating petitions had
been received from the following:
LeRoy Millikin, Floyd Davis,
Arthur Clough, Robert Phillips,
Howard D. Madsen and Roy O.
Milnes. The President appointed
as tellers of the election, Thomas
Welsh and Earl Gierke. They
were sworn in by Justice of the
Peace Arthur Clough. Ballots
were passed and each voter was
instructed to vote for the two can-
didates of their choice. The re-
sult of the first ballot was as fol-
lows:

Roy O. Milnes 41 votes

LeRoy Millikin 22 votes

Arthur Clough 22 votes

Floyd Davis 20 votes

Howard D. Madsen 14 votes

Robert Phillips 3 votes

After some discussion it was
agreed that inasmuch as Roy
Milnes had received the greatest
number of votes that he would be
declared elected. Also that all
other candidates would be eligible
for the other office of trustee.
Ballots were passed again with
the following result:

LeRoy Millikin 22 votes

Arthur Clough 22 votes

Floyd Davis 10 votes

Howard D. Madsen 5 votes

Robert Phillips 2 votes

LeRoy Millikin having received

the greatest number of votes was
declared elected.

There being no further business
to be done a motion to adjourn
was made by A. L. Roberts.

Roy O. Milnes,
Secy. Board of Education,
Grayling Twp. School Dist. No. 1.

the Library" in Crawford County who would like to see a better library here. On Thursday at the Trustees Day at Work-Shop, there were six people from Grayling who were there part of the afternoon. That was too short a time to accomplish much but I feel it was worth while and that we got a start on problems here. So many of us are anxious to have better library service and it is one of our community problems.
